Larry

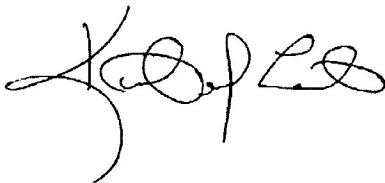

I would like to take this opportunity to thank you for the excellent service and superior advice that your team at Kenderson Incorporated provides me and our property management division at CB Richard Ellis. Since meeting you when I was VP of Asset Management with RMC Property Group, there have been several occasions where your expertise has saved our clients money. It is this type of "value add" that sets you aside from others.

You have always provided an unbiased and fair assessment of all the roof options available along with proper inspections and thorough job oversight. I greatly appreciate your professional opinion.

We were particularly grateful for your assistance with the roofing project at the Sun City Shopping Center. That job was a tough one and you managed to minimize the complications from a property management standpoint.

We will continue to use Kenderson Incorporated for our future property needs and recommend them to anyone seeking professional property inspections and quality customer service.

Sincerely,
