Dear Mr. Cousino:

On behalf of Shaker Heights Public Library, I want to extend our appreciation for the expertise you provided during our roofing restoration project. You supplied us with great support from the time of bid preparation, through the construction period, to completion of the replacement of our Main Library roof.

We were very pleased that the bids and the project itself came in under budget and that we were able to use real slate at less than what artificial slate would have cost. Not only did the project protect and enhance our historic building, but also the Shaker Heights Landmark Commission awarded our Board of Trustees the 2007 Preservation Award.

We are quite pleased with the outcome, and wish you continued success.

Cordially,

Luren E. Dickinson
