To Whom It May Concern:

SUBJECT: LETTER OF RECOMMENDATION

We at Canton City Schools rely on the expertise of Kenderson Incorporated for all of our roof consulting needs. Curt Cousino and his associates have provided us with on site inspections of new roof systems, existing roof systems and recommendations and details for new construction.

I would highly recommend Kenderson Incorporated to anyone with existing roofing problems, to those who need regular inspections, to individuals with design needs, and for anyone requiring installation monitoring.

Please feel free to call me with any questions.
